12. Significant contributions made by IQAC during the current year(maximum five bullets)

1. The IQAC initiative helped the college to get a grant of Rs. 12,34,000 (Twelve Lakhs Thirty Four Thousand) only as first installment towards the UGC scheme for mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education under PARAMARSH for the year 2019.20 2. The pro active role of IQAC enabled the QSIGAUGE, a custom - designed rating system for Universities and Colleges in India, to award the college with a Gold College rating. The rating will be valid for 3 years from 23rd March 2020 to 23rd March 2023. 3. The prompt and timely submission of statistics by the IQAC, enabled the college in being awarded 3rd Rank in State 26th Rank at National Level by Education World Survey - April 2020 Issue under "India's Top - Ranked Private Autonomous Colleges League table" 4. Considering the growing demand for Natural Science Stream, the IQAC initiated the introduction of CBZ (Chemistry, Botany and Zoology) combinations from the academic year 202021. The combination has received overwhelming response with more than 45 students enrolling for the new combination. 5. Inspite of hurdles posed by COVID19 pandemic for academic activities, the IQAC planned and meticulously organized 21 Webinars and 3 online QUIZ competitions, which were very well received at the academic circles. Among the Webinars organized there were 1 International, 15

national and 5 state level Webinars. The list of webinars and quiz competitions organized is attached for reference. 6. The IQAC took initiative to mobilize the data of eligible students for scholarship and uploaded the details to State Scholarship Portal, as a result 350 eligible students received scholarship under VIDYASIRI and VIDYAYOJANA schemes sponsored by State and Central Governments.

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achievements/Outcomes
To enter into new MoUs for the benefit of Students, Faculty and Institution	The IQAC corresponded with JSS Hospital and entered into an MoU with the multi specialty hospital for the benefit of faculty, students and staff. According to the MoU, the JSS Hospital has consented, in principle, to provide medical facility in all the fields and specialties and agreed to provide medical facilities to the employees and students of JSS College for Women. Further the JSS Hospital shall provide cashless facilities to the staff for OP, IP operations and MHC. Payments in respect of the final bills shall be made by JSS College for Women directly to JSS Hospital within a period of Thirty days from the date of receipt of the final bill. The agreement will be valid till the end of December, Two Thousand Twenty One. The IQAC initiated an MoU between the college and BReT Solutions Private Limited, Bengaluru for imparting Training on Employable Skill Development for entry level jobs. The said training would help students in securing entry level jobs in different sectors including Government, Public and Private sectors, etc. The IQAC facilitated an MoU between the college and the Confederation of Indian Industry (CII). The MoU would provide an opportunity for students to start thinking in an innovative way and work for India. Sowing the seeds of thinking about India and its growth at Schools and Colleges, bridging potential with achievement and developing leaders for tomorrow are some of the ideals to be achieved by this MoU. The IQAC coordinated between JSS College of Arts, Commerce and Science, B N Road, Mysuru (JSSCACS) to enter into an MoU with JSSCW for exchange of faculty and ideas between the two colleges. JSSCACS, which has more than ten PG programmes and most experienced senior teachers, teaching at PG level can readily help our college by providing academic guidance. The college has already been benefited by exchange of academic thoughts and receiving the lend services of senior most faculty of JSSCACS.
To introduce ZOOLOGY as one of the Optionals in combinations like CBZ, BZBt	Repeated appeals by the IQAC to the management, yielded the desired result as management gave approval to introduce CBZ combination from the Academic year. The new combination has received enthusiastic response with large number of students opting for the new combination. The Webinars received very good response across the Nation with more than Hundreds of participation for each Webinar.
To organize more number of informative and scholarly seminars, preferably by Renowned Scholars, for the benefit of faculty and students.	Owing to COVID pandemic and restrictions imposed by the Government, the college could not organize the Seminars. However the IQAC took the initiative to organize Webinars. As a result the IQAC organized Twenty One Webinars and Three Online Quiz competition.
Construction of New Laboratories to support the UG Programme in Zoology and PG programme in Chemistry	With the introduction of Zoology as one of the Optionals in UG programme, the college constructed a well equipped new Zoology lab for the benefit of students. Equipment at Organic, Inorganic and Analytical Chemistry labs have been updated for the benefit of PG students.
To develop the College into Eco Friendly Campus by installing Solar panels for water	The campus is made Eco friendly by declaring the campus as plastic free and smoking free zone. The college has entered into MoU with M/s. Eight M futur Energy, Pvt. limited, Mysuru, to install Solar Panel for harnessing Solar Energy. Accordingly Five Hundred Eighty Seven Solar Panels have been installed atop the college building with a capacity to produce One Hundred Fifty KV Electricity. The power produced would be utilized for lighting and heating in the entire campus of Eight acres. The same benefit is extended to the college hostel, which has more than Eight Hundred inmates.

heating and power production required for the campus.

17. Does the Institution have Management Information System ?

Yes

If yes, give a brief description and a list of modules currently operational (maximum 500 words)

Since the institution believes in holistic dissemination of knowledge, the college has evolved an effective Management Information System (MIS). The annual admission procedure of students is computerised. Every detail of students like, ID number, caste, economic status is readily accessible at any point of time. The college also provides online application facility and students can apply for their desired courses by online itself. The institution's library is partially digitized and completely automated. The library provides INFLIBNET and OPAC facilities through which members of teaching faculty and Research Scholars can access umpteen number of books. All Government funded projects/ programmes come under PFMS, hence duly audited and placed before statutory bodies like GB, AC for approval. The examination section is also partially digitized. The section follows manual coding and mechanical decoding process. LOGISYS software is adopted in the examination cell for entry of marks and other exam related information. Since the college has switched over to CBCS system from the academic year 2018 19. WINDOWS based software is adopted. Teachers can enter marks as soon as valuation of Internals and semester end examination is over.

1.4 - Feedback System

1.4.1 - Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 - How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Parents – teachers meeting : Parents teachers meeting is convened once in a year. The meeting will be attended by a senior officer representing the management. Through the class mentor, letters of meeting are sent to all the parents and generally the meeting is well attended. The meeting starts with the Principal making the power point presentation showcasing the facilities / opportunities available to students. Parents are given an opportunity to air their views on the system. The concerns expressed by parents are recorded and timely explanations would be provided by the Principal or the management representative. Sincere and honest efforts would be made to address the grievances of the students and parents. Such frequent meetings have proved to be very useful in creating a conducive academic atmosphere in the college. From students on Graduates' day: Students feedback would be obtained on the Graduates' Day, which is generally held in the month of November. A well designed feedback form is prepared by the college for the purpose. The feedback form elicit responses from students on a range of issues which include, the usefulness of the course, competency of the teachers and facilities made available to students. The feedback obtained is assessed under SPSS system, which helps the college to plug its weaknesses. From management at meetings chaired by management representative : The management makes serious efforts in improving the quality of education, imparted at the college. Meeting of college Principal and senior teachers would be held regularly at the head quarters and generally the meetings would be chaired by the Executive Secretary. The management gives a patient hearing to the observations of the Principal and senior teachers and come out with valid solutions. From teachers at college meetings : General staff meetings would be called at regular intervals or as and when the situation demands to take care of issues arising. The meeting would be attended by the members of both teaching and nonteaching faculty. In these meetings Principal takes stock of the academic progress of the college, which includes completion of syllabus and submission of records by the teachers. Both teachers and nonteaching staff are given freedom to speak about their grievances, which would be recorded and addressed later in consultation with the management. A range of issues like students discipline and other general grievances would be discussed at length. Such frequent staff meetings not only eliminate misconceptions among the members of staff but also contribute to the academic improvement of the college.

7.3 - Institutional Distinctiveness

7.3.1 - Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Fulfillment of the Vision of the college - 'Empowering Women through Academic Excellence' - is accorded top priority by the college. The college not only aims at imparting formal education but also assists the students in shaping their future. Accordingly, the placement cell of the college is functioning effectively to enable students to secure lucrative jobs. Many companies of National International repute visit the campus, regularly, to select the prospective employees. Thus, the college plays a proactive role in nurturing students to grow into independent, intelligent, cultured and respectable citizens of the society. The absorption rate at 30 percent is too good for a college, which offers only general education. Familiarizing students with the rich cultural milieu and societal ethos of the nation by making students to study compulsorily a paper on Bharatiya Sanskriti.
