2.3.3-Ratio of students to Mentor for academic and other Related Issues (data for the latest completed academic year)

2.3.3 POLICY DOCUMENT ON MENTORSHIP

JSSCW offers a 'Mentoring System' through which a group of students are assigned to a group of faculty members at the commencement of their academic year. Mentoring programme is conducted to help the students to strengthen their varied capabilities and to build an intrapersonal relationship between teachers and students. The main objective of this mentoring system is to provide a reliable and comprehensive support system, to motivate students to excel in both academic and non-academic area and to make the most of their life at the college.

The College provides for mentor and mentee to be at 1:35

I. Responsibilities of the mentor

The mentor will perform the following functions.

- Meet the group of students frequently.
- Mentor shall maintain profile of each mentees in the specified format.
- Guide and motivate the students in all academic matters non academic
- Advise students regarding to take competitive examinations
- Contact parents/guardians if situation demands e.g. academic irregularities, negative behavioral changes and interpersonal relations
- Advise students in their career development/professional guidance.
- Keep contact with the students even after their graduation
- Intimate The Principal and suggest if any administrative action is called for
- Maintain a detail progressive record of the student

II. The Principal Meet all mentors to review proper implementation of the system

- Advice mentors wherever necessary.
- Initiate administrative action on a student when necessary.
- Keep the head of the institute informed.

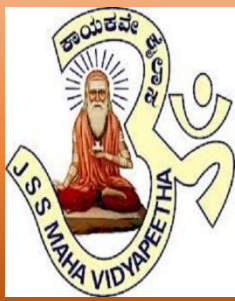

This mentoring is for over all development of the student. Faculty advisor meets the students frequently and discusses various issues including class room lectures, laboratory performances, participation of seminar / conferences and technical event, any academic difficulty faced and career development.

Mentees:

- Mentees shall attend the mentorship meetings as per schedule notified by thementor.
- Mentees shall communicate the factual information to the mentor. Mentees shall feel free to share

III. Type of Mentoring done is:

- Professional Guidance - regarding professional goals, selection of career, higher education.
- Career advancement - regarding self-employment opportunities, entrepreneurship development, morale, honesty and integrity required for career growth.
- Personal Counseling.

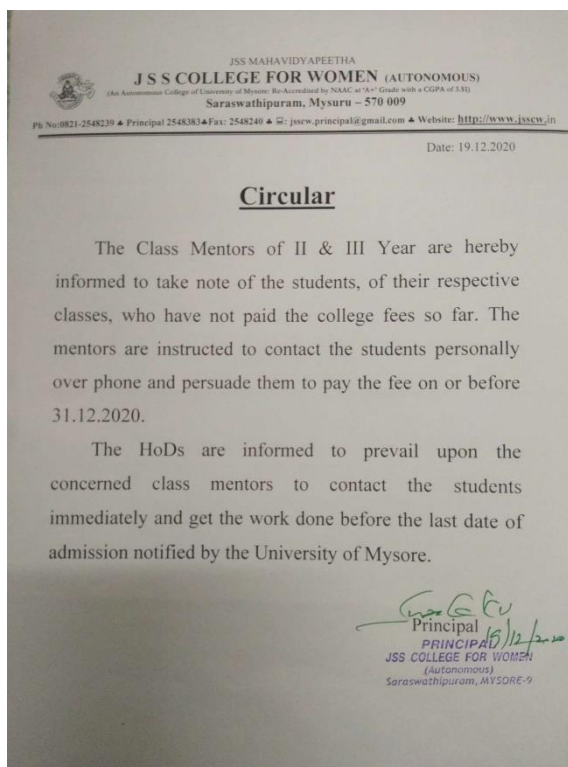

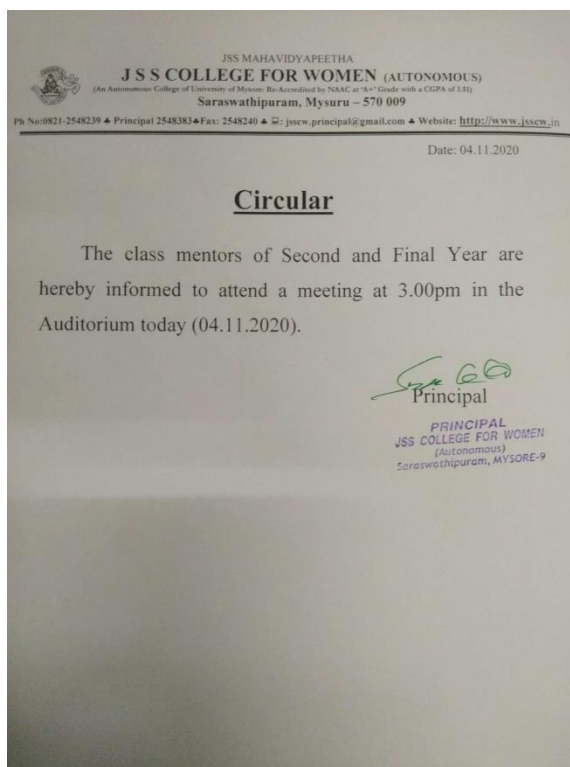

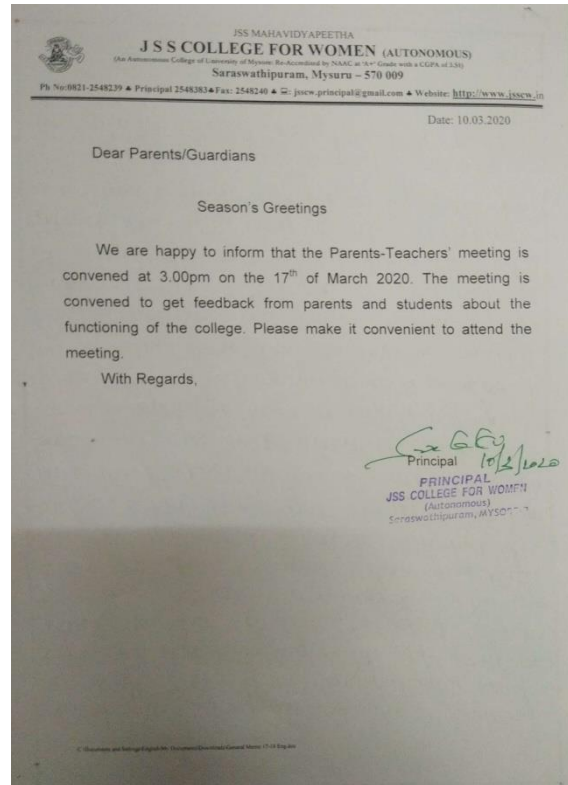

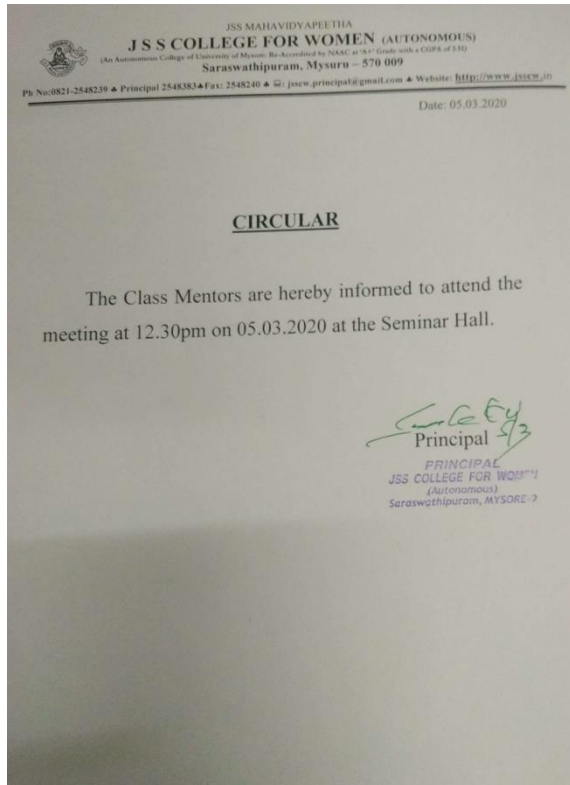

Criterion II: Teaching, Learning and Evaluation

Metric: 2.3.3-Ratio of students to Mentor for academic and other Related Issues (data for the latest completed academic year)

Year: 2016-2021

Ratio of Students to Mentor 2020-2021

Criterion II: Teaching, Learning and Evaluation

Date: 15.04.2017

The Mentors' Meeting was held to decide and assign the responsibilities to mentors.

- Meet the students frequently (once in 15 days) to discuss various issues including classroom lectures, laboratory performances, library facilities, sports equipments, or any academic problems faced by them.
- Maintenance of the students' profile in the specified format.
- Providing the complete information to the students regarding the functioning of the scheduled academic semester programs.
- Guidance to the students for their participation in both curricular and co-curricular (NSS, NCC and Youth Red Cross) activities.
- Motivating the students to take an active part in the cultural and sports activities.
- Mentoring them with specific expectations and guidelines as the needs of the each student varies.
- Commitment to foster the relationship with the student for the specified period of time.
- Maintaining confidentiality.
- Maintaining a professional relationship and avoiding intrusion into students' lives.

Criterion II: Teaching, Learning and Evaluation

Metric: 2.3.3-Ratio of students to Mentor for academic and other Related Issues (data for the latest completed academic year)

Year: 2016-2021

Ratio of Students to Mentor

2016-2017
