Responding to this Prof. Morabada Mallikarjun informed the House that the college should try to take the University into confidence and convince the authorities of the University, without necessarily entering into conflict, to give approval to introduce single subject degree.

It was resolved to take the matter further forward by writing to the University.

Prof. Venugopal observed that the books added to the library in the academic year was not very encouraging and advised that the college should add more books to the library.

Suggestion noted.

Prof. Mahadevappa expressed satisfaction over action initiated on MOOC and SWAYAM credit transfer, as recommended by him in the previous meeting and suggested that students should be encouraged to learn Artificial Intelligence and undergo Machine Learning. The Professor further advised to have an MoU with NASCOM

- I. To pursue the matter of single subject degree to its logical end.
- II. To give comparison of results between JSSCW and other good colleges in the city.
- III. To make the best of COVID situation by arranging more number of webinars on relevant issues.
- IV. To institute gold medals in the names of Kitturu Chennamma and Kalpana Chawla to motivate and inspire students.
- V. To keep a copy of translated version of 'Arthashastra' by T.S. Shankar as the book was very informative and would be useful to students.

All suggestions noted.

Prof. B. P. Indira commented that the faculty should be well equipped and encouraged to handle more number of online classes.
