Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

#### Feedback Obtained

Parents – teachers meeting : Parents teachers meeting is convened once in a year. The meeting will be attended by a senior officer representing the management. Through the class mentor, letters of meeting are sent to all the parents and generally the meeting is well attended. The meeting starts with the Principal making the power point presentation showcasing the facilities / opportunities available to students. Parents are given an opportunity to air their views on the system. The concerns expressed by parents are recorded and timely explanations would be provided by the Principal or the management representative. Sincere and honest efforts would be made to address the grievances of the students and parents. Such frequent meetings have proved to be very useful in creating a conducive academic atmosphere in the college. From students on Graduates' day: Students feedback would be obtained on the Graduates' Day, which is generally held in the month of November. A well designed feedback form is prepared by the college for the purpose. The feedback form elicit responses from students on a range of issues which include, the usefulness of the course, competency of the teachers and facilities made available to students. The feedback obtained is assessed under SPSS system, which helps the college to plug its weaknesses. From management at meetings chaired by management representative : The management makes serious efforts in improving the quality of education, imparted at the college. Meeting of college Principal and senior teachers would be held regularly at the head quarters and generally the meetings would be chaired by the Executive Secretary. The management gives a patient hearing to the observations of the Principal and senior teachers and come out with valid solutions. From teachers at college meetings : General staff meetings would be called at regular intervals or as

and when the situation demands to take care of issues arising. The meeting would be attended by the members of both teaching and nonteaching faculty. In these meetings Principal takes stock of the academic progress of the college, which includes completion of syllabus and submission of records by the teachers. Both teachers and nonteaching staff are given freedom to speak about their grievances, which would be recorded and addressed later in consultation with the management. A range of issues like students discipline and other general grievances would be discussed at length. Such frequent staff meetings not only eliminate misconceptions among the members of staff but also contribute to the academic improvement of the college.

## 7.3 – Institutional Distinctiveness

### 7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Fulfilment of the Vision of the college - 'Empowering Women through Academic Excellence" - is accorded top priority by the college. The college not only aims at imparting formal education but also assists the students in shaping their future. Accordingly, the Placement Cell of the college is functioning effectively to enable students to secure lucrative jobs. Many companies of National International repute visit the campus, regularly, to select the prospective employees. Thus, the college plays a proactive role in nurturing students to grow into independent, intelligent, cultured and respectable

citizens of the society. The absorption rate at 30 percent is too good for the college, which offers only general education. Familiarizing students with the rich cultural milieu and societal ethos of the nation are the highlights of the college.
