Place: AV Room

Name and Designation of Resource Person: Bhoomika .S,
Research scholar, IISc
Krishnaga,
Research scholar, IISc

Topic: “Competitive Examination Awareness and Career Guidance Program”

Number of beneficiary: 70

Objective of the program:

- To create awareness among students about various competitive examinations and their eligibility criteria.
- To provide information about career opportunities available through competitive examinations in government, higher education, research, and other sectors.
- To familiarize students with higher education and professional opportunities after graduation.
- To encourage students to prepare systematically and develop a goal-oriented approach towards their future careers.

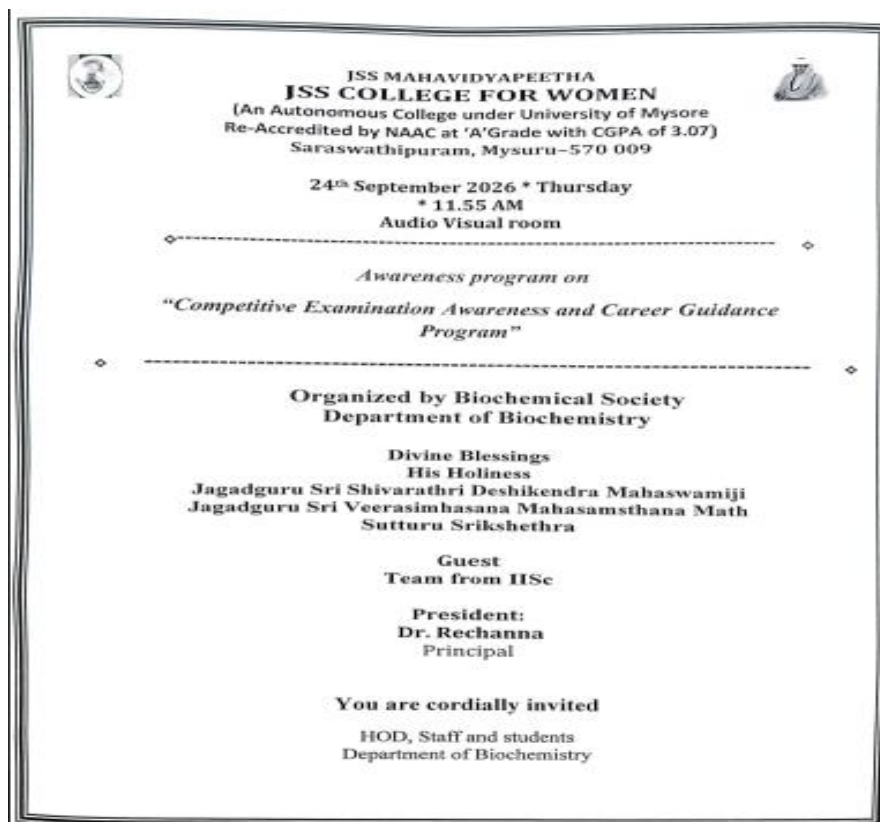

Brief write up of the program:

The Department of Biochemistry organized an Awareness Program on Competitive Examination Awareness and Career Guidance for students. The program was conducted by **Ms. Bhoomika and Ms. Krishnaga, Research Scholars from the Indian Institute of Science (IISc), Bengaluru.**

The resource persons provided students with a brief introduction to the **Graduate Aptitude Test in Engineering (GATE)** and the **Joint Admission Test for Masters (IIT JAM)**. The session focused on creating awareness about the importance of these examinations and the various academic and career opportunities available through them.

The program covered important aspects such as **eligibility criteria, examination pattern, syllabus, application process, and important guidelines for filling out the online application form.** Students were also guided on how to plan their preparation, select appropriate study resources, and understand the requirements of the examinations.
