Workshop report on FOURIER TRANSFORM INFRARED (FTIR) SPECTROSCOPY CONCEPTS AND APPLICATION.

Date: 14.06.2025

Location: JSS College For Women, Saraswathipuram, Mysuru

Organized by: PG Department of Chemistry JSS College For Women, Saraswathipuram, Mysuru

The programme began with the invocation by Miss.Poornima.M and Miss.Nagamani.N, 2nd M.Sc. students. Miss.Varshini.H.C Introduced the speaker Dr. V. A. Sajeev Kumar, Scientist 'G', Defence Food Research Laboratory, Mysuru. Dr. V. A. Sajeev Kumar gave delightful talk on Fourier Transform Infrared (Ftir) Spectroscopy Concepts And Application. His lecture was highly insightful and thought provoking. The interactive session concluded with a vibrant Q&A, where students enthusiastically engaged with Dr. V. A. Sajeev Kumar. Miss. Poornima.M, 2nd M.Sc., Dept. of chemistry (PG) proposed the vote of thanks. The programme was compared by Miss.Keerthishree.U, 2nd M.Sc., Dept. of chemistry (PG).
