Report on Industrial Visit to Vijayavani Printing Press, Mysuru

Date: 17 October 2025
Organization Visited: Vijayavani Printing Press, Mysuru
Class: M.A.
Number of Students: 15

The department organized an industrial visit to Vijayavani Printing Press, Mysuru, on 17 October 2025. A total of 15 M.A. students participated in the visit.

The purpose of the visit was to provide students with practical exposure to the functioning of a printing press and help them understand the organizational and operational aspects of the printing industry. The visit was intended to supplement classroom learning through firsthand exposure to an industrial establishment.

The visit also offered an opportunity for students to develop an understanding of workplace organization, production processes, and the practical application of theoretical concepts in a real-world setting.

Conclusion

The industrial visit served as a valuable learning experience for the participating students. It helped broaden their understanding of industrial operations and emphasized the importance of practical exposure in higher education.
